

To All Whom It Concerns

I am writing today to publicly declare my opposition to SB No 184 & HB No 5262 for changes to election administration as a result of Covid-19 and changes concerning eligibility to vote by absentee ballot.

Majority of Covid 19 restrictions have been suspended and any language around Covid-19 should not be used as an excuse to lengthen early voting or mail in ballots or lengthen the time to properly report to the board of electors the voting results.

CT already cares for those who cannot vote in person including "illness" so therefore covers Covid-19 "Illness"

.Respectfully
